— SEEING A SAFER FUTURE —

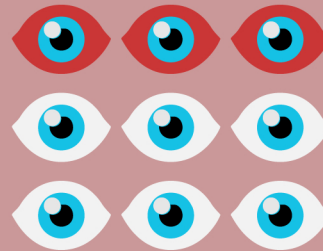

An Eye For Safety

(949) 249-1996

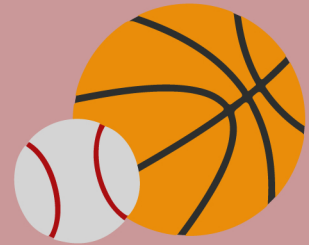

info@aneyeforsafety.org

Over 100,000 People in the United States suffer from eye injury each year.

1/3 of these 100,000 are children who suffer sports-related injury.

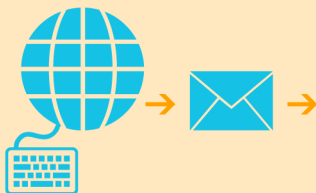

Most of these accidents are easily avoided with proper eye safety wear and knowledge.

We'd like to help!

We aim to reduce sports related eye injuries in young athletes by explaining the potential dangers sports offer without sufficient eye protection and offering the solution.
